RAFFLES & PROMOTIONS

Nancy Wojnowski
675-3017

Hello all,

It seems spring has finally sprung in WNY! Time to start thinking about opening your pond.

Speaking of we have a new member looking for help on rebuilding his pond. If you want to help out contact Chris for info.

February has come and gone and we are looking to close memberships. We only have 24 so far.

This Year's koi show & auction is June 17th & 18th at Masterson's. It is being chaired by Ray Lucas. Call Ray if you're interested in helping 941-3701

Bring your money because Lotus tubers are available to order.

Along with the New Year comes election time. Elections are this month. We are looking for people to step up. Unfortunately, Dawn as well as myself will not be running for reelection this year. We are also still looking to fill the Treasurer position. So there are quite a few important spots to be filled.

Thank You

John Kelso

Project Plant 2017

Lotus will be the project plant for 2017! You will be able to purchase as many tubers as you like for \$15 each. There will be several varieties available in April. Pick up of the tubers will be at the May meeting. Lilly will be our guest speaker in May on how to care for our new plants.

You do not need to keep the lotus in your pond. They can be grown on your patio or any place you have space and full sun. They are winter hardy and can be enjoyed every year.
