A big thank you to everyone who participated in this years Pond Tour. I understand the ponds were exceptional, the munchies were good and the drinks were over the top! We also need to thank Angie and Jerry Cyrek for hosting the party at final stop.

For those who missed the last meeting Audrey Behlau was voted as Koi Person of the Year. Audrey has been a member for about 6 years and has dedicated a lot of time and energy to the club. She has also functioned as our resident auctioneer on many occasions. Congrats Audrey.

Don't forget the upcoming Erie County Fair. We need volunteers to spend time at our pond to answer questions and promote the club. Contact Chris Wilkolaski to sign up for a time slot at 983-1088.

The same is true for the Reinstein Woods Fall Festival on September 20th.

This months meeting will be an "open forum". Bring your questions and ideas to share. We will also have a mini auction and the dollar and a dream raffle.

I have a complete quarantine and overwintering system for sale, which includes a 6 ft show tank and cover, an Aquadyne 60B bead filter system with a Jacuzzi pump, and a stainless steel UV1 Pond Star UV light (rated for a 5,000 gallon pond), along with black flex pvc pipe and fittings. This system was used only once for a 6 week quarantine of new Koi a few years back, and is in excellent condition! I have all manuals. This system will allow indoor wintering of your Koi, to prevent the losses folks have been experiencing with the bad recent win-

ters. The show tank (and other equipment) quickly breaks down and stores easily, once the fish are back outside. The cost of all of the above came to a little over \$2600. Will sell complete for \$850. Will sell without the UV, but otherwise complete, for \$550.

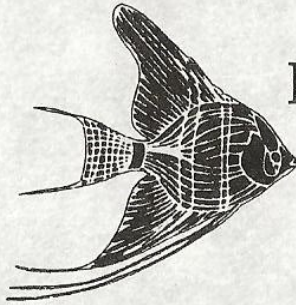

I also have a Kichi Koi buffet feeder, where the Koi are able to feed themselves, and no electricity is required. This includes a heavy duty iron screw and support pole, to mount the feeder out over the water. It sells for \$180. It is in excellent shape. I'm asking only \$60. Here's a link to it: <http://www.koipondfever.com/p-502-kichi-koi-buffet.aspx>

I have a water scarecrow that deters birds and other animals. It is very effective! It runs off of a 9 volt battery and your hose. It sells for \$80. I'm asking only \$40. Here's a link to it: [http://www.petco.com/product/12983/Contech-Scarecrow.aspx?cm\\_mmc=CSEMGGooglePLA-\\_-Dog-\\_-Contech-\\_-964239&mr\\_trackingCode=36701416-8381-DE11-B7F3-0019B9C043EB&mr\\_referralID=NA&mr\\_device=c&mr\\_adType=pla&mr\\_ad=55967194813&mr\\_keyword=&mr\\_match=&mr\\_filter=81308006773&gclid=CJCAIsmH9r8CFQsyaQodDYgAdw](http://www.petco.com/product/12983/Contech-Scarecrow.aspx?cm_mmc=CSEMGGooglePLA-_-Dog-_-Contech-_-964239&mr_trackingCode=36701416-8381-DE11-B7F3-0019B9C043EB&mr_referralID=NA&mr_device=c&mr_adType=pla&mr_ad=55967194813&mr_keyword=&mr_match=&mr_filter=81308006773&gclid=CJCAIsmH9r8CFQsyaQodDYgAdw)

These are being offered to the club members first, before being put on Craigslist ,etc. Call me at 537-2830 after 6pm if interested in purchasing.
