## Welcome Back

I hope everyone enjoyed the holidays and is well. Winter is almost over. Yay!

**February's** meeting is on Friday the 10<sup>th</sup>. The speaker is myself, John Kelso, your NFKPC president. I will be presenting on *Do It Yourself* (DIY) filters and pond deicers.

Carol Krajewski has resigned as membership chair. We thank her for her time in this role. Chris Wilkolaski will be taking her place.

The photo contest is coming up in **March** so get snapping those pictures. For each category Flora (plant), Fauna (animal) & Pond:

First place wins \$25.00

Second place wins \$15.00

Peoples choice winner gets \$20.00

Winning pictures will be subject to club use in club promotions.

See you Friday,

John

## Project Plant 2017

Lotus will be the project plant for 2017! You will be able to purchase as many tubers as you like for \$15 each. There will be several varieties available in April. Judging will be done in August or September. Let Dawn Domagala know how many tubers you would like purchase.

You do not need to keep the lotus in your pond. They can be grown on your patio or any place you have space and full sun. They are winter hardy and can be enjoyed every year.
