Anyone who thinks gardening begins in the spring and ends in the fall is missing the best part of the whole year; for gardening begins in January with the dream. ~ Josephine Nuese

Happy New Year to all our fellow ponders. Hope all of you had a safe and enjoyable holiday season.

A few notes from our December Board of Directors meeting:

- We will hold our annual photo contest during our March meeting.

- The Mega-auction will take place in June.

- We are starting to recruit members to show their ponds at our Pond tour which will be in the southtowns this year.

- Our Koi show will once again be held at Arbordale, date still under discussion.

A motion was made at the Board of Directors and seconded to eliminate the January meeting starting next year and hold elections in February. We have canceled the January meetings the past two years due to weather conditions and would like to change the constitution to reflect this. I will be posting this notice in the newsletter for the next three months at which time the club members will vote on this change. Any discussions at the meetings will be taken under consideration.

Our speaker this month is the ever popular Tom Tower who will once again be holding his "wet tee shirt" contest. No water is involved, but members will be judged on the best tee shirt depicting some type of aquatic life. Prizes will be awarded. Among other topics Tom will be discussing a new type of catfish that has been "flying out the door" at Niagara Aquarium.

Don't forget we will also be holding our elections this month. All four officers must be elected/re-elected. We also need 3 new board members due to expired term limits. Consider running for one of these positions.

Next Board of Directors will be at my house on January 28th.
