Salutations Fellow members,

Summer is upon us. Hope all of you are out and enjoying your ponds and gardens. June's meeting was filled with many great deals at our annual auction. Many people went home happy with a new treasure to add to their yard. Please remember for July and August we will continue to have smaller auctions at these meetings.

If you have forgotten to renew, please see Chris Wilkolaski to renew your membership. Single membership is \$20 and family is \$25. There will be forms at the meeting.

We will again this year be at the Erie County Fair. Please see Chris Wilkolaski to sign up for a three hour slot at the fair. Times are 10-1, 1-4, & 4-7. Each slot will get two admission tickets to the fair and one parking pass. The Fair runs August 9<sup>th</sup> thru 20<sup>th</sup>.

We are still in need of nominating a president for the club. Please consider taking an active role in this club. Talk to any officer or board member if interested.

This month's meeting will be our own Gavin Warren. The idea of using Low Voltage lighting in our gardens will be explored. Hope to see you all there and ready with questions.

The club has purchased a Keurig coffee maker. We will have basic coffee and tea K-cups but feel free to bring your favorite and enjoy your flavor at a meeting.

The Koi Show and Auction was held on June 17<sup>th</sup> and 18<sup>th</sup>. Thank you to Ray Lucas and members that came and helped set up tear down and work the auction. We have a new member who joined at the show. Welcome Brian and Kathy Kalinouski to the club.

Just checking in – "How are those Frog House creations going?" Remember, judging will be in September. If you missed the meeting and need a house to create with let Chris Wilkolaski (662-9429) know and she will bring one to the meeting for you. And lastly, how are your Lotus doing? Have your tuners started to send leaves? Remember to fertilize only after you have Arial or above water leaves. These will also be judged at our September meeting.

Yours in ponding,

The NFKPC Board
