RAFFLES & PROMOTIONS

Chris Wilkolaski

Looks like we're finally getting the Summer we were waiting for since June. Better late than never, but it has to be confusing for our fish and other species. One friend just found a nest of new born rabbits in her back yard, and there have been more bees around my neighborhood in the past few weeks than we've had all summer. Don't forget that all important 55 degree water temp to stop feeding your fish. As always, if you need help closing up your pond give Chris and Dennis a call. If anyone else would like to volunteer to be a part of our "pond squad" I'm sure they would appreciate the help.

Please remember Reinstein Fall Festival Saturday Sept. 19th. We're still looking for volunteers to spend a few hours at our tent to greet the youngsters and parents. We'll have sand art for the kiddies and club info for the adults..

Be sure to join us this month for our speaker Mike Hannon aka the Plant Whisperer. It should be a fun time.

Bring in your pictures of the Cardinal Flowers that we purchased earlier in the year to share with others and see who had the best results.

We will also be taking nominations and voting for Koi Person of the year, so start thinking about who you'd like to see getting that award from AKCA.

Our Christmas party this year will be on Friday Dec. 11th at Rizzo's Banchetti, so mark it on your calendars.

Next BOD is at Tim and Denises' house on Thurs Oct 1st.
