Christmas is not a time nor a season, but a state of mind. To cherish peace and goodwill, to be plenteous in mercy, is to have the real spirit of Christmas.

Calvin Coolidge

Happy Tidings to all,

Just as we clear the Thanksgiving dishes it's time to put up the tree. The winter weather is officially here. I hope all your ponds are down for their long winter naps. Remember to keep that hole in the ice for gas exchange.

It was very nice to see Tom Towers last month and talk about the good old days of the club. This month we will be making new memories at our Christmas Party. I am happy to say over half our membership will be attending this year. Our club is a form of family. We love our fish and gardens—we share that common bond. I look forward to the party as a time to enjoy all your company. The Board was able to speak to Santa and we have some very unique party favors for all this year. Very different! I hope you enjoy them. Also, our local friends have played Santa to us and donated items for door prizes.

It is the time of year to look back and be thankful for all things. I thank my officers and board members for their help this year. I thank the members for their input and their encouragement to others to join. For dear old friends such as: Ray, Mike, Larry, and Tom who believe in the magic of ponding. I hope all of you find peace and joy this holiday season. May the magic of the season touch each and every one of you.

Yours in ponding,

Chris

President Wilkolaski and the Board
would like to wish you a Happy Holiday
and a Healthy New Year!

Remember that elections will be held in January.
Please consider supporting your club by running for a position.
