RAFFLES & PROMOTIONS

Nancy Wojnowski
675-3017

A board meeting was held April 30 at the home of Nancy Wojnowski. Present was Mike Vertino, MaryAnn & Mark Baumgart, Sophia & Bill Wroblewski & Nancy Wojnowski.

Koi Fest is scheduled for Saturday, June 22 at Hahn's Nursery in Sanborn. We have 5 volunteers committed to help organize and man the event. We will be in contact with Hahn's to finalize the speakers and other activities planned.

April was the club's elections. The President's and treasurer's positions were filled. Vice-president is open and the secretary's position will be filled at the next general meeting. Also, there are still 2 board positions to be filled. Please think positively about volunteering to fill in one of the positions needed for the club to continue.

If you missed the April meeting, you missed a wonderful presentation from Melissa Foster from the Kenmore Improvement Society. She spoke about bees and the importance of protecting them. She also gave away packets of Phacelia tanacetifolia common name blue tansy or purple tansy. She seemed to fit in nicely with the crowd. She was extremely excited to receive the speaker's fee, saying it will buy plenty of seeds.

The May meeting will be another round of Fish Bingo. Each member will receive 1 FREE bingo board and extra boards will be available for only \$1. We will have prizes for regular bingo – including 4 corners, inner & outer squares, and cover-ALL. We will also have a discussion as each Koi or Pond related item is picked out of the cup. Deb Pirson will be bringing the snacks for everyone to enjoy. The club will reimburse up to \$25 each meeting.

(Continued on page 2)

June is the club's Mega – or Welcome to summer – auction. It will feature unlimited number of items per member. It will feature a 70/30 split. The selling member will receive 70% of the selling price and the rest will go to the club treasury.

July will be an ice cream social. The club will provide the ice cream and each member in attendance will supply their favorite topping. If you know what you are bringing, Mary Ann will attempt to keep a list, so as to cut down on duplicates.

The August meeting will be Mike Vertino and a questionnaire regarding members good and bad experiences in the adventures of pond keeping. If there is some program or speaker you would like to listen to, please talk with one of the officers or board members. We will do our best to accommodate any requests.

Please remember to sign the participation book. Again there will be a token door prize for one lucky member in attendance. Ann Marshall was the lucky winner from March – a chocolate bunny. One entry will be processed for each event you attend and/or work for the end of the year prize. Please sign or print your name legibly!

The club's yearly dues were payable beginning at the February meeting. We will accept renewed or new applications going forward. Please submit a completed membership application with your check or cash to Chris Wilkolaski.

Dennis Wilkolaski paid a visit to a local hospital last week. Please send some sunshine his way for a speedy recovery.

The next board meeting is Thursday May 30 at the home of Nancy Wojnowski. Ask for directions if you want to attend. We need fresh new ideas to keep the club viable.

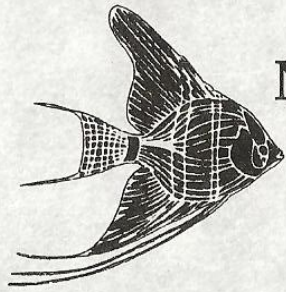

And for the members who were green beans at the last meeting...

Sincerely,
Nancy Wojnowski
